8. Kirkland & Ellis has advised and represented the Debtors in connection with the operation of their businesses and other matters arising in the performance of their duties as a debtors-in-possession. Furthermore, K&E has prepared various pleadings, motions and other papers submitted to this Court for consideration, has appeared before this Court during hearings regarding these cases and has performed various other professional services that are described in this Application.

9. The rates described above are K&E's hourly rates for services of this type. Attached as Exhibit A is a detailed itemization and description of the services that K&E rendered during the Fee Period. Based on these rates and the services performed by each individual, the reasonable value of such services is \$560,569.50. The K&E attorneys and paraprofessionals expended a total of 1,737.20 hours for these cases during the Fee Period. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount of fees requested is fair and reasonable given: (a) the complexity of these cases, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under the Bankruptcy Code.

10. Further, Exhibit A (a) identifies the individuals that rendered services in each Subject Matter, as defined and described below, (b) describes each activity or service that each individual performed and (c) states the number of hours (in increments of one-tenth of an hour) spent by each individual providing the services. Each numbered tab in Exhibit A corresponds to the matter number that K&E assigned to each Subject Matter. If a Subject Matter does not appear, then K&E did not bill time or expenses for that Subject Matter during the Fee Period, but may bill time for that Subject Matter in the future.

Actual and Necessary Expenses

40. It is K&E's policy to charge its clients in all areas of practice for identifiable non-overhead expenses incurred in connection with the client's case that would not have been incurred except for representation of that particular client. It is K&E's policy to charge its clients only the amount actually incurred by K&E in connection with such items. Examples of such expenses are postage, overnight mail, courier delivery, transportation, overtime expenses, computer assisted legal research, photocopying, outgoing facsimile transmissions, airfare, meals, and lodging. With respect to airfare expenses, all travel, by all individuals, is billed at the coach class rate with allowances for class upgrades.

41. Kirkland & Ellis charges: (a) \$0.10 per page for duplication and (b) \$0.75 per page for outgoing telecopier transmissions (plus related toll charges). Kirkland & Ellis does not charge its clients for incoming telecopier transmissions. K&E has negotiated a discounted rate for Westlaw computer assisted legal research, which is approximately \$125/hour of online use of the standard Westlaw databases. Computer assisted legal research is used whenever the researcher determines that using Westlaw is more cost effective than using traditional (non-computer-based legal research) techniques.

42. A summary of expenses by type, as well as a detailed itemization and description of the disbursements made by K&E on the Debtors' behalf during the Fee Period is attached hereto as Exhibit B. All of these disbursements comprise the requested sum for K&E's out-of-pocket expenses, totaling \$45,466.13. These disbursements are grouped in Exhibit B into the same numbered and titled categories of Subject Matters as the fees are grouped in Exhibit A. The numbered tabs within Exhibit B

correspond to the numbers assigned to the matters described in Paragraphs 12-39 herein. Any missing Subject Matters merely indicate that no expenses were attributed to such Subject Matters during the Fee Period, although expenses may be attributable to such Subject Matters in the future. A summary of expenses by category for the entire Fee Period is also set forth in Exhibit B.

Representations

43. K&E believes that the Application is in compliance with the requirements of Del.Bankr.LR 2016-2.

44. Kirkland & Ellis performed the services for which it is seeking compensation on behalf of or for the Debtors and their estates, and not on behalf of any committee, creditor or other person.

45. Except to the extent of the advance payment retainers paid to K&E as described in the Original Affidavit, K&E has received no payment and no promises for payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with these Chapter 11 Cases.

46. Pursuant to Fed. R. Bank. P. 2016(b), K&E has not shared, nor has agreed to share, (a) any compensation it has received or may receive with another party or person other than with the partners, counsel and associates of K&E, or (b) any compensation another person or party has received or may receive in connection with the Chapter 11 Cases.

47. Although every effort has been made to include all fees and expenses from the Fee Period in the Application, some fees and expenses from the Fee Period might not be included in the Application due to accounting and processing delays. Kirkland & Ellis reserves the right to make further application to the Court for allowance of fees and expenses for the Fee Period not included herein.

48. In summary, by the Application, K&E requests compensation for fees and expenses in the total amount of \$606,035.63 consisting of (a) 560,569.50 for reasonable and necessary professional services rendered and (b) \$45,466.13 for actual and necessary costs and expenses.

WHEREFORE, K&E respectfully requests (a) that an allowance be made to it, as fully described above for the (i) 80% of the reasonable and necessary professional services K&E has rendered to the Debtors during the Fee Period (\$560,569.50) and (ii) 100 % of the reimbursement of actual and necessary costs and expenses incurred by K&E during the Fee Period (\$45,466.13); (b) that both fees and expenses are payable as administrative expenses of the Debtors' estates; and (c) that this Court grant such further relief as is equitable and just.
